Special Note to Parents

No cell phones or screens are allowed at camp (this includes Apple watches). This is a time to disconnect from the challenges of the world and reconnect with the Lord and those who love Him dearly. IF a child has a medical need that requires a phone, please share this information with the director and medical staff.

For your consideration: It has been our experience that mid-week visits from parents tend to cause the younger campers to become homesick. If you need to see your child during the week, you **MUST** contact one of the camp directors. No unexpected visits to the campground are permitted. This is for the safety and well-being of all the children. We appreciate your cooperation in this regard.
